CITY OF WOODSTOCK GEORGIA

Comprehensive identity monitoring

Our proprietary monitoring platform detects high-risk activity to alert you at the first sign of fraud. We search the dark web for compromised information and monitor financial transactions, all while keeping tabs on your credit.

Fraud remediation and restoration

Should identity theft or fraud occur, you have a dedicated Privacy Advocate® to fully manage your recovery and restore your identity. And since fraud doesn't take a holiday, our Privacy Advocates are available 24/7.

Identity theft reimbursement

You never have to worry about covering the costs of identity theft. PrivacyArmor Plus comes with a $1 million identity theft insurance policy† to cover any out-of-pocket expenses, lost wages, or legal fees. Plus, we'll reimburse funds stolen from your bank, HSA, or 401(k) accounts.
