

Preventive Advantage

Preventive dental care can be important for your overall health, which is why we don't deduct preventive benefit expenses from your annual maximum.

With Preventive Advantage, you can stretch your benefit further and save money. When visiting a dentist for preventive care, like an annual cleaning, all costs above the deductible and applicable coinsurance are covered.

How Preventive Advantage works for you

Obtain preventive care for maintaining good oral health, including these important services:

Oral exams

Cleanings

X-rays

Fluoride treatments

So you can save your annual maximum for unexpected services like:

Fillings

Root canals

Crowns

Oral surgeries

Dentures and bridgework

How it works

All you need to do is pay any applicable coinsurance and deductible for preventive care.

Your entire annual maximum amount will be preserved for other dental needs. Plus, preventive care is still covered even after your annual maximum is met.
