

# Easily manage your policy online with MyAflac®

Managing your insurance can be overwhelming, and we know your time is valuable. MyAflac has features to help make managing your policy easier.

Access your account anytime, from anywhere on our website or MyAflac® mobile app to:

- View your policy.
- Manage your payment information.
- Make a name change.
- Update beneficiary information.
- View coverage or (download) a copy of your policy.

Be on the lookout for more options coming soon.
